Proceed to Checkout

After you've reviewed the items in your Shopping Cart, proceed to checkout to complete your order.

To view in your preferred language, locate the **country flag** on top banner and use the drop down to select the language.

To continue with your shopping journey, go to

[Your Orders](#)

To proceed to checkout:

Go to Shopping Cart

1. Select **Proceed to Checkout**.

Note: If you place an order for an item sold by Amazon with a credit card, we won't charge you until the order enters the shipping process. If you place an order from one of our third-party sellers, the seller may charge your card at the time of purchase.

2. If prompted, sign in to your account or create a new account if this is your first order.

3. Enter a shipping address.

4. Choose a shipping method.

Note: If there's more than one item in your order, you'll have the option to group your items into as few shipments as possible.

5. Enter your payment information.

6. Review your order details. Make sure you've applied any gift cards or promotional codes you want to use on your order.

7. Select **Place your order**.

To review or change your order before it enters the shipping process, go to [Your Orders](#).

Please note: You cannot change the details of your orders once it is "out for delivery".
