## Availability Message Definitions

The availability message for each product detail page tells you whether the item is available to dispatch to you

If you have a default international shipping address, the product detail pages indicate if we can ship to your address.

**Note:** If the product isn't in stock, the availability message indicates whether we expect the product to be in stock again soon

The availability messages on our website only apply to products shipped and sold by Amazon

## Items Shipped and Sold by Amazon.in

### In Stock

This item is in stock in at least one fulfillment center and available for shipment.

### In stock soon

The item is available in at least one fulfillment center, but may take additional time to prepare for shipment.

### Usually ships soon

The item will be ordered from a nearby distributor, and may take additional time to prepare for shipment.

### Not yet published/released or Available for Preorder

The latest release date information provided for the item will be on its product detail page. We'll ship it to you after the release date passes and the item becomes available for shipment.

### Temporarily Out of Stock

This item is currently not in stock but it is available for ordering. We'll email you the expected delivery date as soon as that information is available from our suppliers.

### Currently unavailable

This item isn't currently available for ordering and it may not be in stock again.

## AmazonFresh Items

### In Stock

You'll only see this message when viewing items in your Fresh Cart. When browsing, you'll see the **Add to Fresh Cart** button only for items that are in stock.
